

Catena Modular Sofa

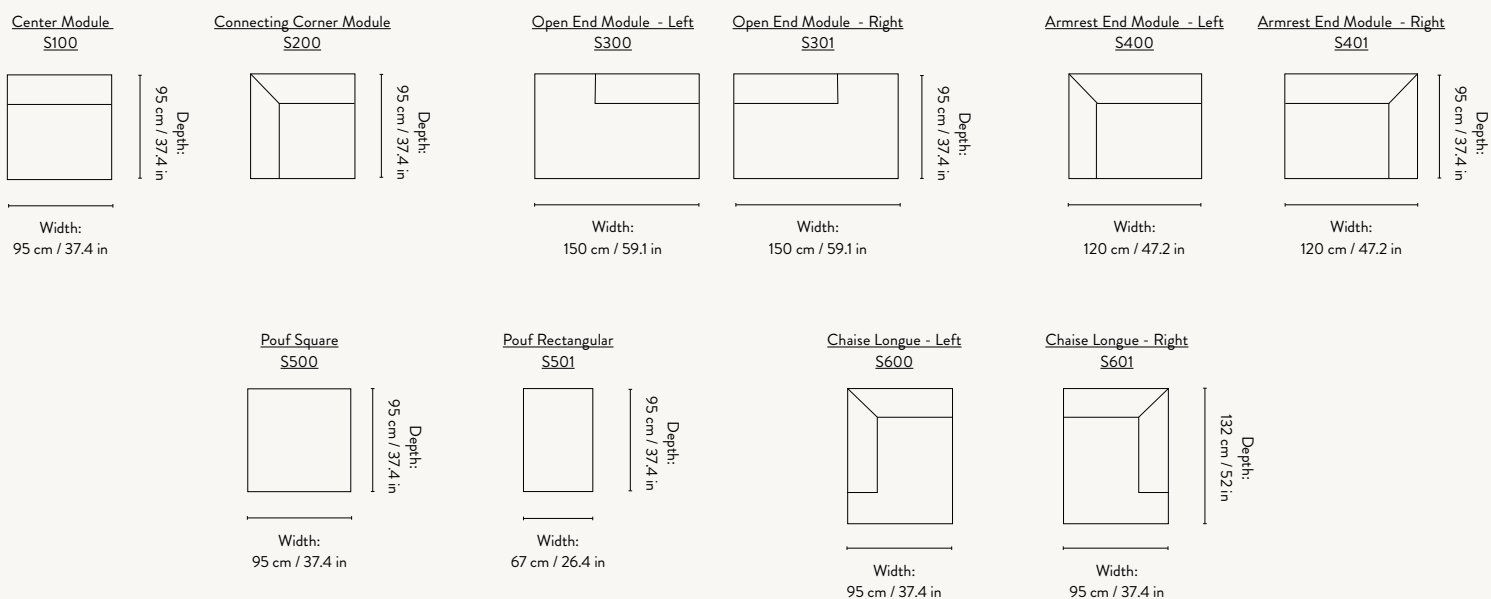

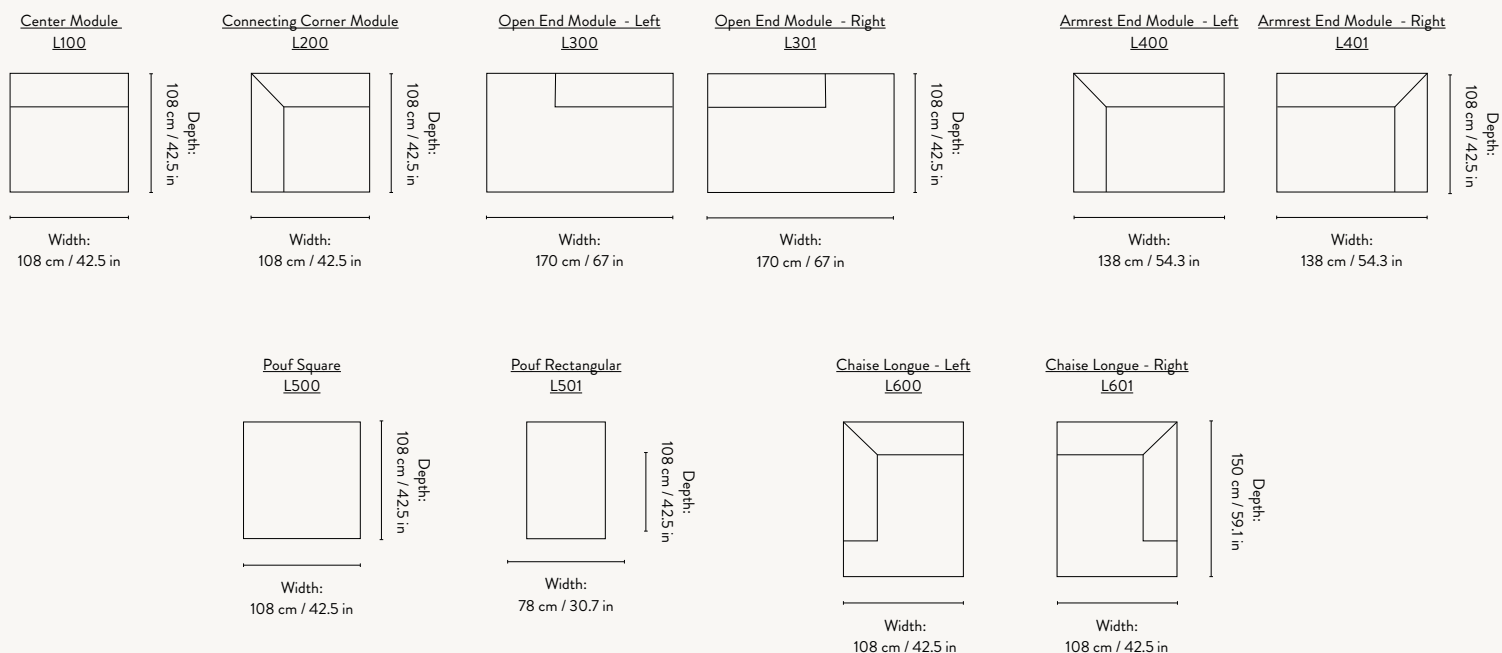

Catena Modular Sofa

The embracing, beanbag-inspired shape of our low-slung Catena sofa is generously dimensioned for all-out relaxation and cosiness: we call it low living. Distinguished by soft curves and top-stitched seams, the homely, module-based designs are made with innovative microcellular foam that ensures maximum comfort as well as durability. The series comprises twenty individual modules that can be combined in multiple ways to create the desired expression. Made to order in Italy, it comes upholstered in a range of fabrics and colours.
